DETAILED ACTION

Response to Arguments

The amendment filed 11-29-04 overcomes the examiner's prior art rejection.

Claims 1-12 allowed.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. The applicant has amended the claims per the examiner's direction and hence the claims are allowable over the prior art of record. The independent claims recite matter from the objected-to claims per the interview conducted on 11-16-04.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
